Moorabool Export Network Program

PORT OF MELBOURNE SITE VISIT

FRIDAY 30 OCTOBER 2009

The Moorabool Export Group, Wimmera Manufacturing and Industry Group, Central Highlands Agribusiness Forum and the Ballarat Export Network invite you and your colleagues to participate in a site visit and information seminar at the Port of Melbourne.

The tour will begin with an information session to be conducted at the Port's Education Centre providing information on the Port's operations, how containers are processed and documentation flow in the export process. The visit will also provide you with the opportunity to go out on the water to have a look at the various wharves and port facilities. This is a rare opportunity for members to see first hand what happens to their products once they arrive at the Port.
